## HIGHLIGHTS FROM TERM 3 2024

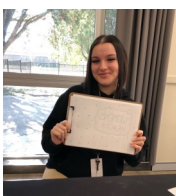

### KIDS SCIENCE SESSIONS

During Term 3 Autumnleaf Neighbourhood Centre hosted two 'Kids Science' sessions. The group enjoyed playing with slime and testing different recipes and ingredients. The second week we explored different chemical reactions with 'Volcano Week'. The group loved getting their hands messy and having the freedom to test and experiment. We would like to thank everyone that attended for making it a great experience and bringing all of your creative ideas.

### WOMEN'S HEALTH WEEK

Community Junction, in partnership with Penrith Women's Health Centre, celebrated Women's Health Week during September. Women from our community enjoyed a vast range of activities including a meditation session, a presentation about the different checks and tests available for early detection of cancer, a 10-minute free hands and shoulder massage, which made the ladies feel relaxed, and good about themselves. There was hosted a mini Women's Health Expo, where participants could connect and converse with local services while also enjoying decorating canvas bags. We also held a preteen workshop for girls during which some beautiful beaded bracelets and canvas bags were decorated. We want to thank all the fantastic women in the community who attended these events over the week. We hope this is a reminder to set aside time for your self to look after your health and well-being.

### FATHER'S DAY CRAFT WORKSHOP.

Towards the end of August, Colyton Neighbourhood Centre held a free 'Father's Day Craft' workshop. The afternoon was full of colours, smiles and creativity to make a unique handmade gift for Dad. The children were so proud of the beautiful wooden gifts they made using paints, stickers, beads and creative materials to give to that special someone on Father's Day.

### YOUTH SPACES—JULY SCHOOL HOLIDAYS

The July school holidays provided the young people with a variety of options to become involved in. During the first week, the young people took part in two events that were joint outings with Fusion, and also did a painting workshop at St Clair Youth Centre. They enjoyed activities and had pizza at Don Bosco , enjoyed a bush walk and BBQ lunch at Wentworth Falls as part of the joint Fusion-CJ outings, and the paint workshop saw some young people follow some tutorials to paint some artworks on canvases. In the second week, the young people had lunch at Glenbrook before visiting Glenbrook Cinema to watch Inside Out 2, had a BBQ dinner and watched game 3 of the State of Origin at Werrington Youth Centre. They participated in the Car Wash fundraiser at North St Marys Neighbourhood Centre, that raised money for the annual youth camp in the October Holidays. A lot of cars were washed and a bit over \$600 was raised. Great work from young people and youth workers involved!. These programs give opportunities for young people to experience more than their local area, and help build connections that may last a lifetime.
